DIABETES and DISEASES of the KIDNEYS and BLADDER.

CONSTITUTION WATER

ER, KIDNEYS and BLADDER that has ever been offered.

It is not a MINERAL WATER. It is from experionce that CONSTITUTION WATER has emenated, and we now say let no man doubt, when a single bottle has been known to cure diseases which the best medical talent in the country failed to relieve. A remedy possessing the virtues of Constitution Water cannot be classed under "quack" preparations, as it is now used by the most scientific practitioners in the city. It is only second-class physicians that cry down popular remedies, while the better skilled make use of every means to accomplish a cure; and the success of the physician increases as his knowledge of different remedies enables him to produce a cure, while others fail in the attempt.—Science is satisfied with the truth.

Give Constitution Water a fair trial—we mean you who are under some spreadats"s care from year to year, and we particularly allude to ladies who are constantly resorting to LOCAL TREATMENT, and all sorts of local applications for diseases, with as much chance of success as there would be from local applications to the throat for diseases of the brain.

We have always been careful to use language in our circular that could not shock the most delicate organization, but we receive many communications from persons for whom Constitution Water is adapted, and of whose disease no mention has been made, that we have come to the conclusion that if the remedy is capable of producing a cure, no matter what the disease may be, it should be made known. The medicine is put up for the public and there should be no exceptions.

DIABETES

Is a disease of the stomach and liver, acting through the kidneys, and is without doubt, the most obstinate disease, except Consumption, that affects the human constitution. We have no space for discussing causes, but will state that the effect of the disease is the conversion of the food) into sugar, which stimulates the kidneys to an excessive secretion of water. Many persons suffer from this disease who are ignorant of it; that is, they pass large quantities during the day, and are obliged to get up from one to fifteen or twenty times during the night. No notice is taken of it until their attention is called to the large discharge of water, and often when it is so far advanced as to be beyond the control of ordinary remedies. Another symptom is the great thirst, which, when the disease is fully established, is intolerable—the patient drinks constantly without being satisfied; also dryness of the month, cracking of the lips, a sweet breath, in the more advances cases, and finally loss of appetite, emsciation, and the patient gradually sinks from exhaustion.

Onstitution Water is, without doubt, the only known remedy for disabetes, and where as much confidence that it is a specific as we have that opium will produce sleep, and truthfully say that it has cured every case in which it has been used.

Are you troubled with that distressing pain in the small of the back and through the hips? A teaspoonful a day of the Constitution Water will relieve you ike magic.

PHYSICIANS

We present the Constitution Water to the public with the conviction that it has no equal in relieving the class of diseases for which it has been found so eminently successful for curing; and we trust that we shall be rewarded for our efforts in placing so valuable a remedy in a form to meet the requirements of patient and physican.

DANVILLE, Pa., June 2, 1862.—Dr. Ws. H. Gregg—Dear Sir.—In February, 1861, I was afflicted with sugar diabetes, and for five months I passed more than two gallons of water in twenty-four hours, I was obliged to get up as often as ten or twelve tims during the night, and in five months I lost fifty pounds in weight. During the month of July, 1861, I procured two bottles of Constitution Water and in two days after using it. I experienced relief and after taking two bottles I was entirely cured, soon after regaining my usual good health. Yours, truly, J. V. L. DEWITT.

Bosros Consers, N. Y., Dec. 27, 1881,—Wm. H. Greeg & Co.—Gents: I freely give you liberty to make use of the following certificate of the value of Constitution Water, which I can recommend in the highest manner—My wife was attacked with pain in the shoulders, whole length of the back, and in her limbs, with l'alpitation of the Heart and Irritation of the Bladder. Icalied a physician, who attended her boot three months, when he left her worse than he found her. I then employed one of the best physians I could find, who attended her for about inc months and while she was under his care she did not suffer quite as much pain. He finally gave her up, and said "her case was incurable. For," said he, "she has such a combination of complaints that medicine given for one operates against some other of her afflictions. About this time she commenced the use of Constitution Water, and to our utter astonishment almost the first does seemed to have the decired effect, and she kept on improving rapidly under its treatment, and now superintends entirely her domestic affairs. She has not taken any of the Constitution Water for about four weeks, and we are happy to say that it has produced a perima ent cure.

WETHERSFIELD, CONN., March 2, 1963.—Dg. W. H. Gazgo.—Dear Ser. Having seen your advertisement of "Constitution Water," recommended for Inflammation of the Kidneys and Irritation of the Bladder, having suffered for the past three years and tried the skill of a number of physicians with only temporary relief, I was induced to try your medicine. I procured one bottle of your agents at Hartford, Meastr. Lee Sisson & Co., and when I had used half of it to my surprise I found a great change in my health. I have need two bottles of it, and am where I never expected to be in my life, well, and in good spirits. I cannot express my gratitude for it; I feel that it is all and more than you recommend it to be. May the blessing of God ever attend you in your labors of love. Yours, truly.

My daughter her work was seen well for some months."

From Charles P. Gage, Esq., of the widaly-known firm of Gage, Murray & Co., manufacturers of enamelled papers in Nachua, N. H.

"I had for several years a very troublesome humor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your Sarsaparilla. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the botches, and continued until my face is as emooth as anybody's, and I am without any symptoms of the disease that I know of I enjoy perfect health, and without a doubt owe it to your Sarsaparilla."

DB. Aven: I seldom tail to retunove Eviptions and Scrofiabus Sores by the persevering use of your Sarafarahilla, and I have just now cured an attack of Malignam Erysipolas with it. No ulterative we possess equals the Sarafarahilla you have supplied to the profession as well as to the people."

From J. E. Johnston, Esq., Wakeman, Ohio.

"For twelve years I had the yellow Erysipelas on my right arm, during which time I tried all the celebrated physicians I could reach, and took hundreds of dollars worth of medicines. The ulcers were so bad that the cords became visible, and the doctors decided that my arm must be amputated. I began taking your Sarafarahilla. Took two bottles, and some of your Pills. Together they have cured me. I am now as well and sound as anybody. Being in a public place, my case is known to everybody in this community, and excites the wonder of all."

From Hon. Henry Monro, M. P. P., of Newcastle, C. W., a leading member of the Cauadian Parliament.

"I have used your Sarsaparaticle in my family, for general debility, and for purifying the blood, with very beneficial results, and feel confidence in commending it to the afflicted." St. Anthony's Fire, Rose, Salt Rheum, Scald Head, Sore Eyes.

Boald Head, Sore Eyes.

From Harrey Sickler, Esq., the able editor of the Tunckhananck Democrat, Perusylvania.

"Our only child, about three years of age, was attacked by pimples on his forehead. They rapidly spread until they formed a loathsome and virulent sore, which covered his face, and actually blinded his eyes for some days. A skilful physician applied nitrate of silver and other remedies, without any apparent effect. For fifteen days we guarded his hands, lest with them he should tear open the festering and corrupt wound which covered his whole face. Having tried every thing else we had any hope from, we began giving your Sansapantilla, and applying the loddle of potash lotion, as you direct. The sore began to heal when we had finished the second. Itse child's eyelashes, which had come out grow again, and he is now as t withy and fair as any other. The whole neighborhood predicted that the child must die."

Syphilis and Moreurial Disease. Syphilis and Mercurial Disease.

From Dr. Hiram Stoat, of St. Louis. Missouri
"I find your Sarsapakilla a more effectual
remedy for the secondary symptoms of Syphitis,

best medicines we have."

From A. J. French, M. D., an eminent physician of Lauvence, Mass., who is a prominent member of the Legislature of Massachusetts.

"Dn. Anne.—My dear Sir: I have found your Sarbatilla an excellent remedy to Sarbatis, both of the primary and accordary type, and effectual in some cases that were too obstinute to yield to other remedies. I do not know what we can emone with more certainty of success, where a powerother remedies. I do not know what we can employ with more certainty of success, where a powerful alterative is required."

Mr. Chas S. Van Liew, of New Brunswek, N. J., had dreadful ulcers on his legs, caused by the abuse of mercury, or mercurial disease, which grew more and more aggravated for years, in spite of every remedy or treatment that could be applied, until the persevering use of AVER'S SARSATALLLA relieved him. Few cases can be found more invelerate and distressing than this, and it took several dozen bottles to cure him.

Leucorrhos, Whites, Female Weakness, are generally produced by internal Serofulous Ulcer-ation, and are very often cured by the alterative effect of this SARSAPARILLA. Some cases require, nowever, in aid of the SARSAPARILLA, the skilful

spplication of local remedies.

From the well-known and widely-velebrated Dr.
Jacob Morrill, of Chechmatt.

"I have found your SAUSAPARTLLA an excellent
alterative in diseases of tenness Many cases of irregularity. Leucorrhoza, Internal Ulceration, and
local debility, arising from the scrottclous diathesis,
have yielded to it, and there are few that do not,
when itseffect is properly aided by local treatment.

A lady, unwilling to allow the publication of her
name, writes: "My daughter and myself have been cured of a very debilitating Lemonrhée of long standing, by two bottles of your Sansapaulle."

Rheumatism, Gout, Liver Complaint, Dys-pepsia Heart Disease, Neuraigia, when caused by Scrafula in the system, are rapidle cured by this Ext. SARSAPARILLA. AYER'S CATHARTIC PILLS possess so many advantages over the other pur gatives in the market, and their superior virtue
